Dear Potential KCSA Sponsor,

Thank you very much for considering a sponsorship of our Non-Profit Youth Sports Programs. KCSA is a highly active fundraising organization based here in Kootenai County. We raise funds through events hosting, direct sponsorship and grant submissions. KCSA is chartered through the IRS 501(c)(3) rulings as an Amateur Sports Organization (pending). In addition to raising funds for our home program, Inland Empire Gymnastics Association, we will eventually benefit over fifteen other non-profit, non-exclusionary youth sports organizations in Kootenai County (i.e. Little Leagues, Softball, Soccer, Junior Tackle, Swim Teams).

KCSA is a 100% volunteer organization. No members are paid any wages for their efforts, and all proceeds go directly to our four chartered program areas, including:

- Provide Equipment
- Train Coaches
- Pay Competitive Expenses
- Offer Scholarships to Financially Disadvantaged Athletes

Upcoming events include

- **Benefit Dinner at Michael D's Eatery**- Planned for October 23rd, 2010, this is our third benefit dinner, the last raised over \$2,500 for our programs. Over 100 people attended the first two dinners, and more than 20 coaches and athletes acted as servers. We are asking for business involvement through **auction/raffle item donations** for this dinner, or to **purchase tickets** to this wonderful event. Tickets can be purchased at I.E.G.A. or call 772-9443.

Please review our trifold brochure for information on **Direct Sponsorships** (Corporate and Individual).

Thank you for your support,

The Board of Kid Centric Sports Association
